You're

MADE

for This.

Citrus Heights Campus

You're Made for This.

**Classroom Learning Is Crucial to Any Education;
There's No Disputing That.**

But when it comes to some disciplines, sitting at a desk listening to lectures simply isn't enough. That's where we come in. Our Carrington College® Citrus Heights campus reflects this in every way. We offer hands-on learning tools that pick up where the books leave off, giving you real-world experience you can't find in front of a chalkboard.

Learning Made Fun

Our modern classrooms and labs provide high quality technology and equipment. This includes the Veterinary Technology program's surgical suite and X-ray machine, offering our students hands-on experience that they can take with them when they successfully complete their studies and enter the workforce.

In addition to such a rich offering of program choices, we also offer the opportunity to meet one-on-one with your instructors, academic coaching and resume workshops available through our Career Services department.

**Begin Your Journey with
Carrington College.**

We have served the Citrus Heights community from this location since 2005, and have worked to improve the lives of students just like you.

We pride ourselves on a friendly atmosphere, shared among the students, the faculty and the public we serve. It's a great place to learn and a great place to prepare yourself for the future. If you're in the area, please stop by and see why we are so enthusiastic about our campus.

We are easy to find, located near Highway 80. Our campus is close to light-rail transportation and several bus routes.
