You're

MADE

for This.

Mesquite Campus

You're Made for This.

**Classroom Learning Is Crucial to Any Education;
There's No Disputing That.**

But when it comes to some disciplines, sitting at a desk listening to lectures simply isn't enough. That's where we come in. Our Carrington College® Mesquite campus reflects this in every way. We offer hands-on learning tools that pick up where the books leave off, giving you real-world experience you can't find in front of a chalkboard.

Learning Made Fun

Our classrooms and labs provide high quality technology and equipment. This includes our SimLink™ Experience lab, which features computer-animated "patients" that allow you to role-play in custom-made scenarios amazingly similar to those you will face throughout your career. It's truly an amazing learning tool.

We also have a dedicated group of instructors that can do more than just teach you in the classroom. They can become mentors, helping you navigate your career path. We work as a team, with everyone working toward your success.

Begin Your Journey with Carrington College.

As you can see, we offer modern facilities and equipment to help provide you an advantage when it comes to transitioning into the workforce after you have successfully completed your studies.

What's more, we pride ourselves on a friendly atmosphere, shared among the students, the faculty and the public we serve. It's a great place to learn and a great place to prepare for your future. If you're in the area, please stop by and see why we are so enthusiastic about our campus.

We're easy to find, located just off I-635 and I-30, next to Academy north of the Town East Mall.
