You're Made for This.

**Classroom Learning Is Crucial to Any Education;
There's No Disputing That.**

When it comes to some disciplines, sitting at a desk listening to lectures simply isn't enough. That's where we come in. Our Carrington College Portland campus reflects this in every way. We offer hands-on learning tools that pick up where the books leave off, providing you real-world experience you can't find in lecture halls.

Fun and Learning Wrapped into One

Our modern classrooms and labs allow you to learn on high quality technology and equipment.

In addition to such a rich offering of program choices, we also have a dedicated group of instructors that can do more than just teach you in the classroom. They can become mentors, helping you navigate your career path.

Begin Your Journey with Carrington College.

You can find many things at a mall: clothes, shoes, music, a food court – and possibly a path to your future. Yes, that's right. Our campus is located on the third level of the Lloyd Center, where we provide you with the tools and learning experience helpful for your career.

If this sounds like the opportunity you're looking for, stop by and pay us a visit. We're within TriMet's Free Rail Zone, which means you can ride at no cost on MAX Light Rail. If you're driving, take the Rose Quarter exit off I-5 or the Lloyd Center exit off I-84.
