You're

MADE

for This.

Sacramento Campus

You're Made for This.

**Classroom Learning Is Crucial to Any Education;
There's No Disputing That.**

But when it comes to some disciplines, sitting at a desk listening to lectures simply isn't enough. That's where we come in. Our Carrington College® Sacramento campus reflects this in every way. We offer hands-on learning tools that pick up where the books leave off, giving you real-world experience you can't find in front of a chalkboard.

Learning Made Fun

Our classrooms and labs provide high quality technology and equipment. This includes a fully functioning Dental Hygiene clinic, a Dental Assisting lab, computer lab and a Veterinary Technology lab.

In addition to such a rich offering of program choices, we also offer the opportunity to meet one-on-one with your instructors, academic coaching and resume workshops available through our Career Services department.

**Begin Your Journey with
Carrington College.**

We have worked continually to upgrade our facilities and equipment to help provide you an advantage when it comes to transitioning into the workforce after you have successfully completed your studies.

What's more, we pride ourselves on a friendly atmosphere, shared among the students, the faculty and the public we serve. Be sure to visit our student lounge and see first-hand how friendly our family of students and instructors can be. It's a great place to learn and a great place to prepare for the future. If you're in the area, please stop by and see why we are so enthusiastic about our campus.

We are easy to find, located near Highway 50.
We're also accessible by light-rail.
