

CERTIFICATE/ASSOCIATE DEGREE*

CRIMINAL JUSTICE

Look Into an Arresting Career Move.

Protecting our communities and their citizens is one of the most rewarding careers available. The Carrington College Criminal Justice program, with an emphasis on private security/loss prevention, prepares graduates to work in a variety of public or private sector jobs in the fields of private security, private/retail loss prevention, transportation security, and community service. The curriculum covers comprehensive investigation studies, including rules of evidence, search and seizure, interrogation, chain of evidence procedures and criminal intelligence. In addition to practical applications and techniques, that include crime scene forensics, analysis of security systems and physical protection of persons and property in hospitals, industrial and retail businesses and government public safety agencies. As well as gaining the technology skills that are required for success in today's criminal justice careers, graduates will be knowledgeable about industry standards for effective written and oral communication. The program culminates in a Certificate of Achievement or an Associate of Science degree in Criminal Justice.

Duties May Include:

- Performing investigations
- Engaging in searches and seizures
- Interrogating and interviewing
- Analyzing security systems

Possible Employment Opportunities:

- Private investigation firms
- Security firms
