PERSONALLY IDENTIFIABLE INFORMATION*

Carrington College is required to collect the social security number (SSN), gender, ethnicity, citizenship status, and drivers license number for a variety of legally mandated activities, including income tax reporting and administration of federally supported financial aid programs. Gender, ethnicity, citizenship and date of birth are not used in determining admission. The SSN is not used as the student's primary identification; however, students who do not provide this information at the point of application may experience a delay in financial aid processing.

Carrington College has adopted privacy policies and practices designed to protect student educational records and information. Only information required to efficiently conduct our business and meet state and federal reporting requirements is collected. The information collected is only disclosed as permitted under the Family Educational Rights and Privacy Act (FERPA) of 1974 as amended. Carrington's FERPA policy is printed in the academic catalog.

NONDISCRIMINATION POLICY

Carrington is an educational institution that admits academically qualified students without regard to gender, age, race, religion, national origin, sexual orientation, political affiliation or belief, or disability and affords students all rights, privileges, programs, employment services and opportunities generally available. Carrington complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 and does not discriminate on the basis of disability. Additional information about this policy or about assistance to accommodate individual needs is available from General Counsel, Adtalem Global Education, 3005 Highland Parkway, Downers Grove, IL 60515-5799, (800) 733-3879.

HEALTH REQUIREMENTS

I understand that I must provide proof that required health tests have been completed before I can be released to my externship or clinical site. The tests may consist of TB, Chest X-ray, MMR or Hepatitis. All costs associated with these tests and providing this information to Carrington College are my responsibility.

ACADEMIC CATALOG

The academic catalog can be found at www.carrington.edu/carrington-college/catalog. Upon request, a printed version will be provided.

ACKNOWLEDGEMENT OF CATALOG

_____ (Initial) I acknowledge and understand how to access the Carrington College academic catalog.

HIGH SCHOOL/GED ATTESTATION

I attest that I have successfully completed high school or have obtained my GED and must submit official proof within 6 weeks of the start of my program.

RACE/ETHNICITY (U.S. RESIDENTS ONLY)

The federal government requires colleges and universities to collect and report the racial/ethnic backgrounds of students and employees. Requests for such information also come from state governments, accrediting agencies, college guides, newspapers, and other sources. In order to respond to these requests, we ask that you please answer the following two questions:

Do you consider yourself to be Hispanic/Latino*? Yes No

In addition, select one or more of the following racial categories to describe yourself*:

American Indian or Alaska Native Asian Black or African American Native Hawaiian or Other Pacific Islander White

I certify that the information I have provided in this application is true, accurate and complete and I have received a complete copy. Completing and submitting this form provides consent without obligation for Carrington College to call, text, and/ or email you about your education by our automated means or prerecorded messages at the number(s) and/or email address you provide.

IMMUNIZATION STATUS, DRUG USE, AND/OR BACKGROUND CHECK ACKNOWLEDGEMENT

We are committed to your success and want to make you aware of important facts that could impact your future.

All Programs - Notification to all Prospective Students

If you have past, pending, or future criminal convictions, you may be prohibited from obtaining certification, licensure, or employment in your field of study.

Enrollment into an externship or clinical experience often requires successful completion of a background check. Falsifying information or a negative background check may prevent you from being accepted into an externship or clinical experience. Should this occur, the College may withdraw you from the program. Any refund of tuition and fees will be calculated according to the Refund Policy outlined in the catalog at <http://www.carrington.edu/carrington-college/catalog>.

Pharmacy Technology program - Notification to all California and non-California Prospective Students

Employment as a Pharmacy Technician requires licensure through the state in which the candidate wishes to work. Illicit drug use, positive criminal background checks, and questionable or problematic immunization status may prevent future licensure and employment as a pharmacy technician. Additionally, externship sites, employers, and State Boards of Pharmacy may also have regulations and/or policies related to immunization status, drug use and background checks.

Enrollment into an externship or clinical experience often requires successful completion of a background check. Falsifying information or a negative background check may prevent you from being accepted into an externship or clinical experience. Should this occur, the College may withdraw you from the program. Any refund of tuition and fees will be calculated according to the Refund Policy outlined in the catalog at <http://www.carrington.edu/carrington-college/catalog>.

Therefore, Carrington College strongly recommends that students interested in enrolling in the Pharmacy Technology program(s) visit their state board web site to review requirements for licensure and determine whether any barriers exist prior to beginning a course of study.

Pharmacy Technology program - Notification to California Prospective Students

The California State Board of Pharmacy has provided a list of criminal convictions that *may* result in the denial of a Pharmacy Technician application. This list is not all-inclusive, but it does provide some of the most frequent violations the board reviews. Providing this information to prospective students prior to enrollment may help an individual make an educated decision as to whether or not they may have difficulty obtaining a license, and thus a career, as a Pharmacy Technician. License denials are frequently based on convictions for:

- Driving Under the Influence (drugs or alcohol)
- Possession of illegal drugs, or prescription drugs without a prescription
- Possession or sale of illegal drugs or prescriptions drugs
- Theft (identify, fraud, etc.)
- Multiple arrests

There is nothing in pharmacy law that requires the board to deny a license based on a specific conviction. That is, nothing is automatic. The board reviews each incident on a case-by-case basis. Likewise, a determination regarding an applicant's approval for licensure cannot be made prior to the submission of an application. The board believes that providing prospective students with this information will help them decide whether or not they are likely to obtain a Pharmacy Technician license prior to enrollment in a Pharmacy Technician training program.

Once the board determines that there may be a reason to deny a license, the board will consider evidence of rehabilitation (mitigation) using the following criteria (Title 16, California Code of Regulations section 1769):

- The nature and severity of the crime
- Total criminal record
- The time that has elapsed since the commission of the act(s) or offense(s)
- Additional evidence, if any, submitted by the applicant
- Whether the applicant has complied with all terms and conditions of parole, probation, restitution, or any other requirements or sanctions lawfully imposed against the applicant

The board reviews all available evidence (arrest report, court documents, applicant's explanation, etc.) and makes a determination based on the Board's primary mandate - protection of the public. An applicant that provides arrest documents, court documents and a written explanation with his or her application will speed the review process. If those items are not included with an application, the board will generally send a letter to the applicant requesting the missing documents, which increases the review time.

My signature below acknowledges that I have received and understood the information disclosed above.

FEDERAL DISCLOSURE ON DRUG CONVICTIONS AND TITLE IV AID

Drug convictions can have a significant impact on students who are using financial aid. Students convicted of drug-related offenses committed while receiving Title IV federal financial aid may lose eligibility for federal financial aid for one or more years from the date of conviction. Federal aid includes: Federal Grants, Federal Work Study, Federal Student Loans, and Federal PLUS Loans.

Title IV Eligibility Penalties for Drug Convictions

Possession of Illegal Drugs:

- First Offense: Ineligible for 1 year from the date of conviction
- Second Offense: Ineligible for 2 years from the date of conviction
- Third and Subsequent Offenses: Indefinite ineligibility from the date of conviction

Sale of Illegal Drugs:

- First Offense: Ineligible for 2 years from the date of conviction
- Second and Subsequent Offenses: Indefinite ineligibility from the date of conviction

Regaining Eligibility for Federal Financial Aid After a Drug Conviction

Students can regain eligibility for federal aid no matter how many or what type of drug convictions they have. To do so, students must successfully complete an acceptable drug rehabilitation program that meets the standards set by Congress and the Department of Education. They will regain eligibility on the date the program was completed.

What is an Acceptable Drug Rehabilitation Program?

An acceptable drug rehabilitation program must require passing two unannounced drug tests and must:

1. Be qualified to receive funds from a federal, state or local government agency or program, or from a state or federally licensed insurance company, or
2. Be administered or recognized by a federal, state or local government agency or court, or by a state or federally licensed hospital, health clinic, or medical doctor.

Free Application for Federal Student Aid (FAFSA)

Question 23 on the FAFSA asks if the student has ever been convicted of a drug related offense. Answering this question falsely, if discovered, could result in fines up to \$20,000, imprisonment, or both.

Convictions During Enrollment

Per the United States Department of Education regulations, a student, if convicted of a drug offense after receiving federal aid, he or she must notify Carrington College Student Finance immediately. The student will be ineligible for further aid and required to pay back all aid received after the date of the conviction.
